

Ileum – Gastrointestinal stromal tumor (GIST) – S-100 expression

Ileum – Gastrointestinal stromal tumor (GIST) – sm. muscle actin expression

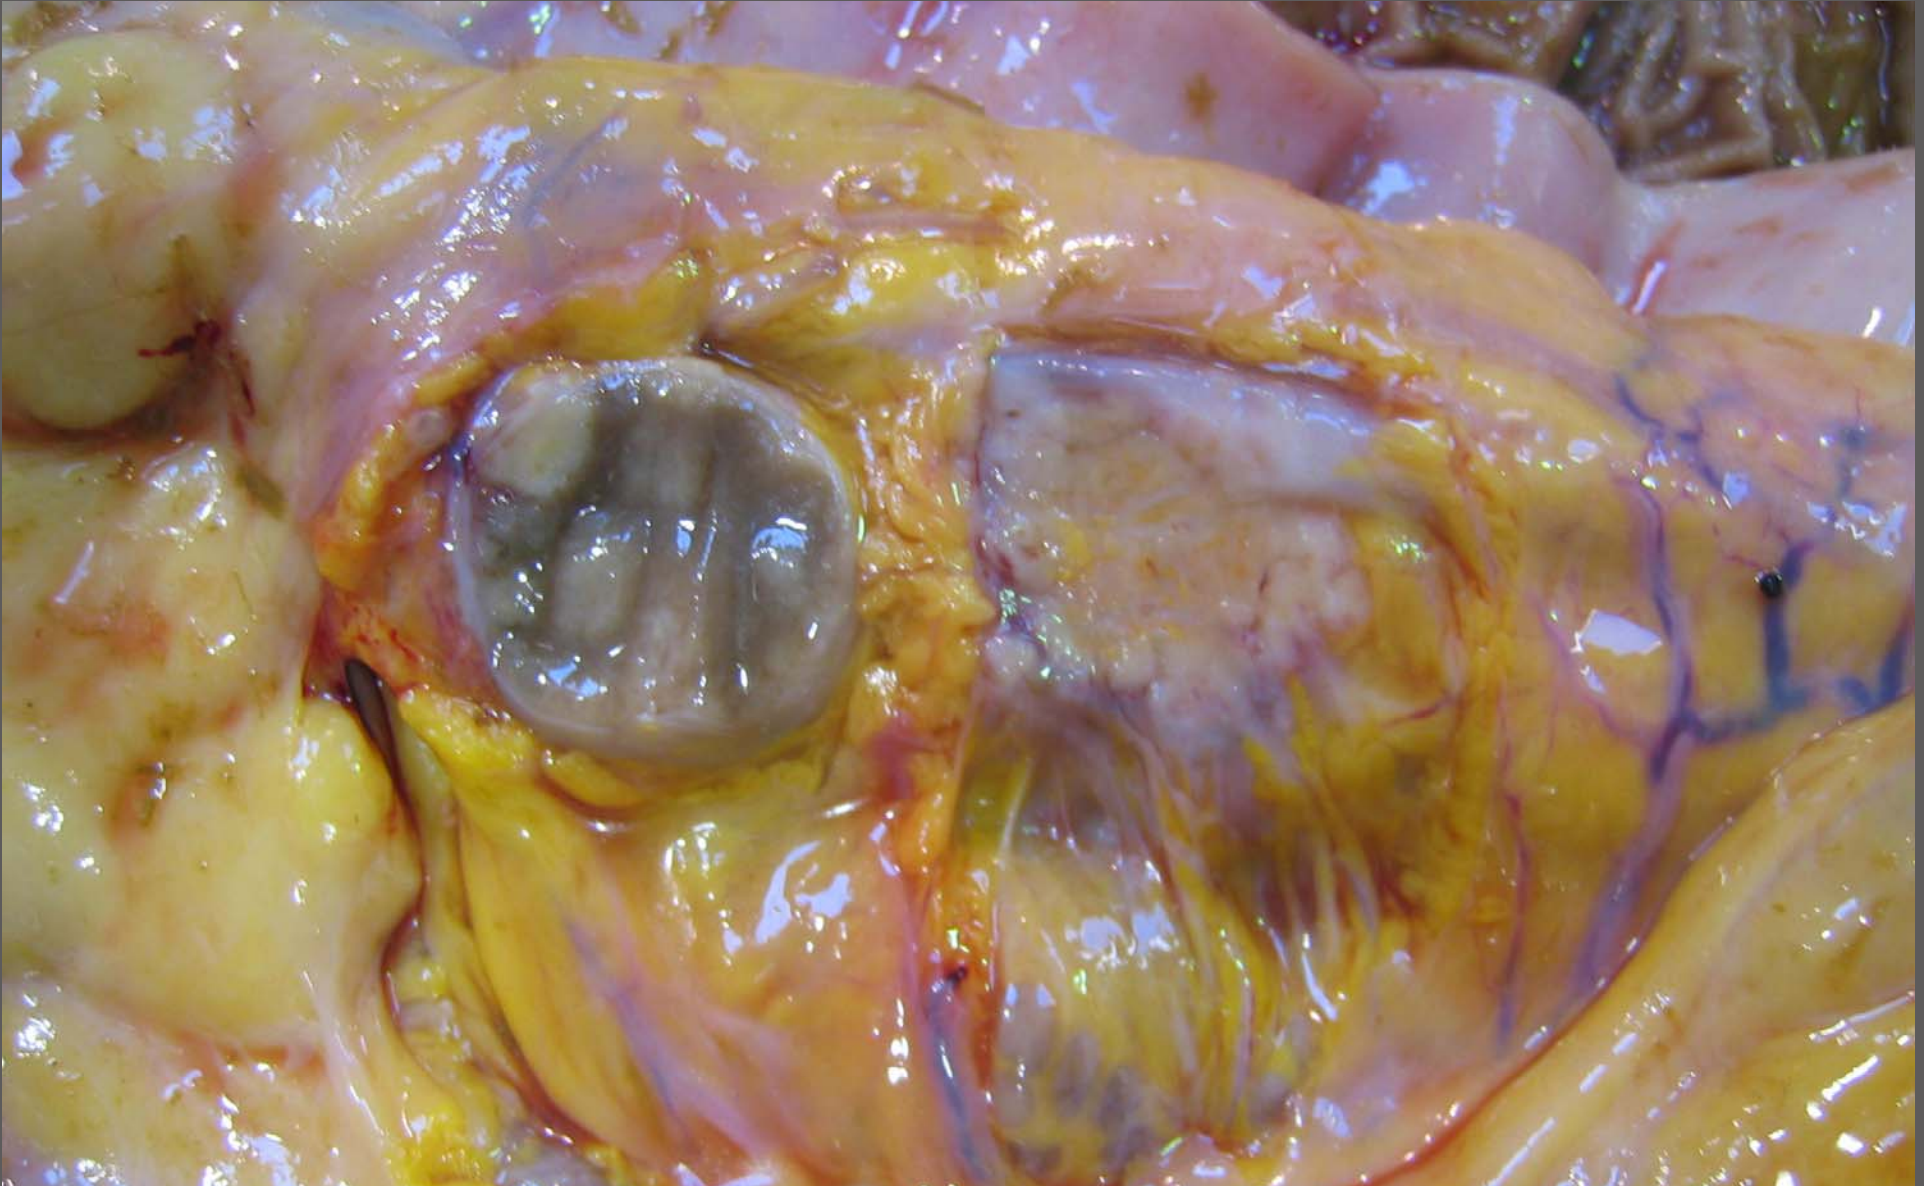

Colon – Adenocarcinoma with stenosis, impaction, and diffuse smooth muscle hypertrophy/hyperplasia and lymph node metastasis

Colon – Adenocarcinoma with stenosis, impaction, and diffuse smooth muscle hypertrophy/hyperplasia and lymph node metastasis

Colon – lymph node – Adenocarcinoma with stenosis, impaction, and diffuse smooth muscle hypertrophy/hyperplasia and lymph node metastasis

Mesenteric lymph node abscess – *Streptococcus equi equi*

Foal – Mesenteric lymph node caseous necrosis – *Rhodococcus equi*
